Dramatic Interpretation • Sunday, March 22, 2015 at 4:00 pm

St. Andrew's United Church, 1044 St. George's Avenue and 10th Street, North Vancouver

The power of the Gospel story is brought to life in this one-man dramatization of the life and death of Jesus the Christ as told by Mark. The audience is transported back in time to be with Jesus on the dusty roads of Palestine and on the shores of the Sea of Galilee. Listeners will come away with a sense of not having ever heard these familiar stories before. Admission is by donation at the door. Everyone is welcome! Angus Stuart, Rector of St. Francis-in-the-Wood in West Vancouver, began by telling the story of Christ's arrest, trial and crucifixion from memory on Palm Sunday in 2007. Then he was inspired to memorize the whole of Mark's Gospel. The effect is dramatic!
