Thanks to You PWRDF has raised over \$110,000 for its Syria Response

These funds are eligible for government matching funds. But the need is still great!

PWRDF is supporting ACT Alliance members in providing food, shelter, hygiene, sanitation, psycho-social support, health care and education to displaced Syrians within Syria and to refugees in Lebanon and Jordan; and through the Canadian Foodgrains Bank (CFGB) by supporting food aid to Syrian refugees in southern Lebanon and Beirut, as well as internally displaced people within Syria. The Government of Canada is matching the CFGB program donations 4:1.
