## **PWRDF Syrian Emergency Relief Update**

Thanks to You PWRDF has raised over \$170,000 for its Syrian response.

As the winter months approach, the need for warm bedding and clothing will become crucial. Help PWRDF continue to provide relief through the ACT Alliance and the Canadian Foodgrains Bank (CFGB) to refugees in Lebanon and Jordan as well as to displaced people within Syria, and to Syrian and other refugees through Refuge Egypt in Cairo.

For every dollar donated to PWRDF, the Canadian government will put one dollar into its Syria Emergency fund. For web, phone and mail donation info visit <http://pwrdf.org/give/>

- **Homeless Cookies**

The In 2006 the "Outlook Society" opened our homeless shelter in North Vancouver. Once a month for ten years St. Catherine's has delivered home-baked cookies, made by our parishioners, to the residents. At present our cookie donor circle is shrinking. Do you have time to contribute monthly or occasionally? All donations are left in the church kitchen the morning of the fourth Tuesday.-**Except in December.** We welcome your contributions.
