## **Coffee Volunteers Urgently Needed!**

We are getting very short of people to prepare coffee and clear up the kitchen on Sundays and we seem to always have an extra couple of loads of dishes (from use during the week) waiting for us as well.

Appealing for volunteers is always difficult as all groups are looking for help.

We are proposing for the summer only having juice and water after the 10.00 am Sunday service in order to make things easier and simpler. We'll try this idea for July and August and then we will reconsider our options.

Meanwhile if there are people who would like to volunteer to help out with refreshments 6 Sundays a year, please see Kirsty Milligan.

There will be a memorial service to celebrate the life of Josephine Reid on Thursday, April 21<sup>st</sup> in the St. Catherine's Sanctuary. The service will begin at 2:00pm and will be followed by a reception in the Mary Pellat Room.
