### **A message from your wardens, Tony, Monica and Vivian:**

We are happy to announce that Bishop Melissa Skelton has appointed the Rev. Keith Gilbert and the Rev. Sharon Salomons as our interim priests. Keith will fill a 1/2 time role as priest-in-charge and will focus on worship and the administration of the parish. Sharon will fill a 1/4 time position and will focus on pastoral care. Please join us in welcoming them both to our parish community of St. Catherine's!

### **A message from Keith:**

As we begin to work together as Priest and People I want to advise the Parish of my working week. I will normally keep office hours on Monday, Tuesday and Wednesday mornings. Appointments may also be made for other times. Sharon will normally keep office hours alternating Thursdays and Fridays and will also be available for appointments and pastoral care visits as needed throughout the week. She will normally be present for two Sundays each month.
