**WORSHIP**

**T**  **GETHER**

Enjoy worshipping in the company of our sisters and brothers in the Lutheran and Anglican church in North Vancouver!

This year's service will be **June 5<sup>th</sup> at Gloria Dei Lutheran**, beginning at 10 a.m. The church is located at 1110 Gladwin Drive, just off the Trans-Canada Hwy.

St. Catherine's is asked to bring nibblies in the vein of cheese, crackers, pickles or salami, etc, for the reception following the service.

**Evergreen Extended Care Facility Ministry**

We are currently reviewing our outreach commitment to the Evergreen Extended Care Facility at Lions Gate Hospital. We are having difficulty finding musical support for our monthly service at 4:00 p.m. every fourth Sunday. This aspect of the service is crucial to the involvement of the residents, their caregivers, and the success of our efforts. Bonnie Grundy will be available during coffee time after church on May 15 and May 22 to chat with parishioners who are interested in making a volunteer commitment. A decision as to the viability of continuing our involvement will be made based volunteer interest and support.

**THANKS PEGGY!**
