St. Catherine's is asked to bring nibblies in the vein of cheese, crackers, pickles or salami, etc, for the reception following the service. Parking will be available at the Ismaili centre next door to Gloria Dei.

*an evening to explore
your questions about
the Anglican Church*

Why do we say that thing every Sunday?
What does that practice mean?
What is a Venerable anyway?
What is a Diocese?
A Primate?
A Synod?

PWRDF Follow up to Fort Mc Murray Fire

Check out the PWRDF website (link below) for a first hand description of the fire around Ft. Mc Murray. The account is written by the Reverend David Greenwood. David is the Honorary Assistant in the Anglican Parish of Fort Mc Murray. It is a moving narrative of his experience. David, along with so many others, has lost his home. Please keep the community of Fort Mc Murray in your Prayers, and if possible, make a donation to the Primate's World Relief and Development Fund to help the Community to rebuild. Full donation details can be found on the PWRDF website.
