Please Join Us: Community Open House

1031-1045 Ridgewood Drive

Wesgroup Properties invites you to attend a Community Open House to view our plans to renew the properties at **1031-1045 Ridgewood Drive.**

The proposal envisions the development of 32 market strata townhomes housed in five 3-storey buildings, a generous inner courtyard, and one level of EV-ready underground parking. This proposal is in line with the Edgemont Village Centre Plan.

The proposed development aims to achieve the Passive House sustainability standard, and supports the District of North Vancouver's Accessible Design Policy for Multi Family Housing by providing ground-oriented units.

Please join us at our in-person Open House to learn more, have your questions answered by members of the planning team and provide feedback.

Note: This Open House is being held voluntarily by the applicant; it is not being hosted by the District of North Vancouver.
